## *The Beginning —*

*A time long gone yet long  
remembered for it gave to us  
life's essentials, the essentials  
which now sustain us through  
the ever-changing tunnel of  
time.*

*Time — The passing  
away of moments, days, years;  
the rise and fall of great  
empires; the influences of our  
daily lives; the adventurous  
spirit that lights our path to  
what will be our way of life  
— America.*

*America — Home of the brave and free, purchased with the blood of those first patriots who fought to give us life, liberty, and happiness.*

*Happiness — An illusive emotion searched for by those first settlers, by those who tamed the wild frontier, by all generations in all ages. The search for happiness, for a better way of life, has initiated most of life's changes.*

Changes — In  
communications, in our leisure-  
time activities, in our mode of  
travel — changes that  
bridged the gaps between people  
and brought them closer  
together.

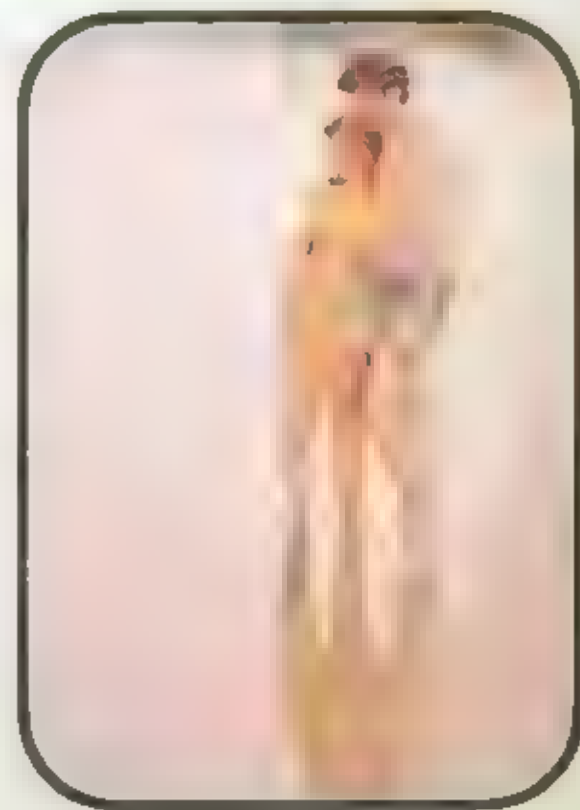

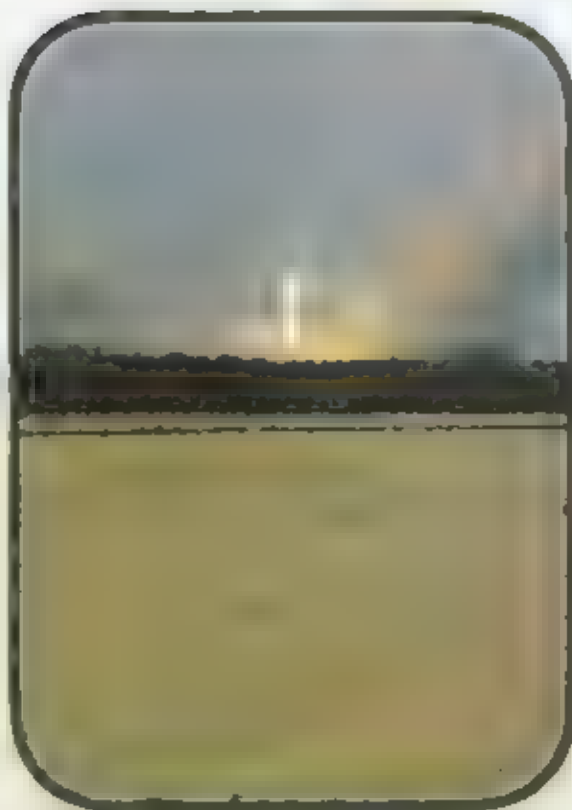

*Together — With  
friends at the Saturday night  
dance, with that special  
someone, or with that dream of  
the one thing you want most out  
of life.*

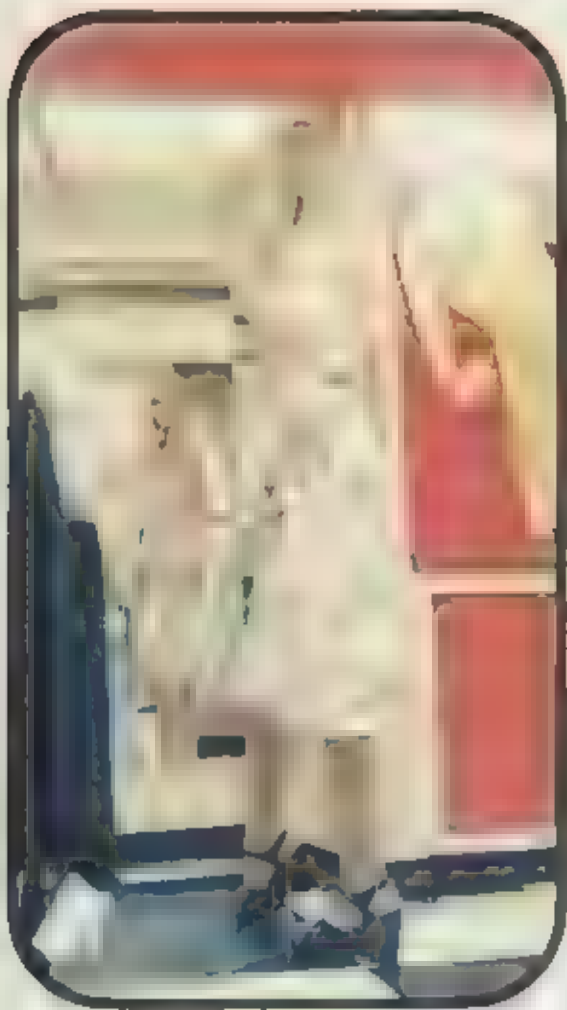

*Life — It's ours, and  
it's better than ever before.  
We've come a long way from  
the beginning of time, the  
beginning of our way of life, the  
beginning of Southwest. But  
the beginning is past. Now we  
have to look to the future. For  
this is . . .*

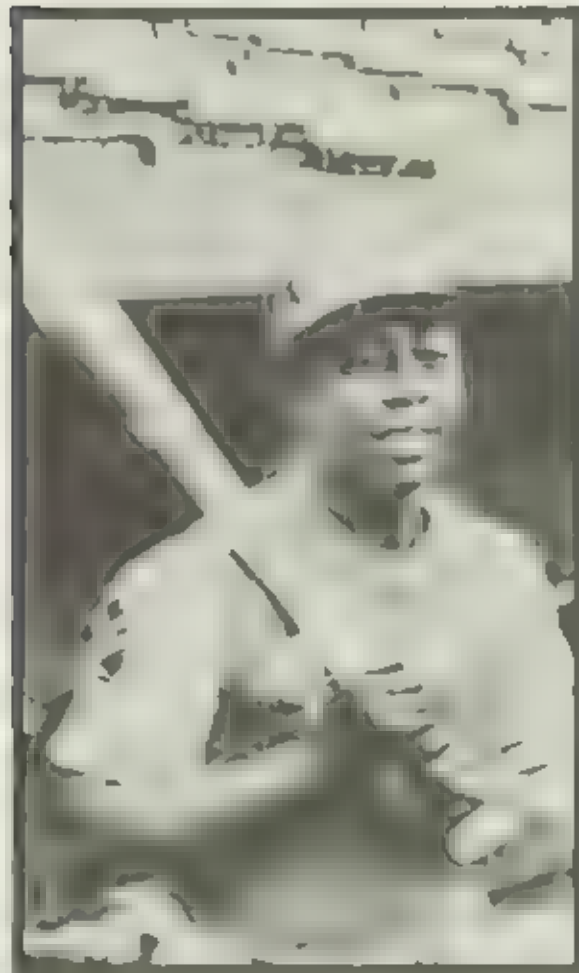

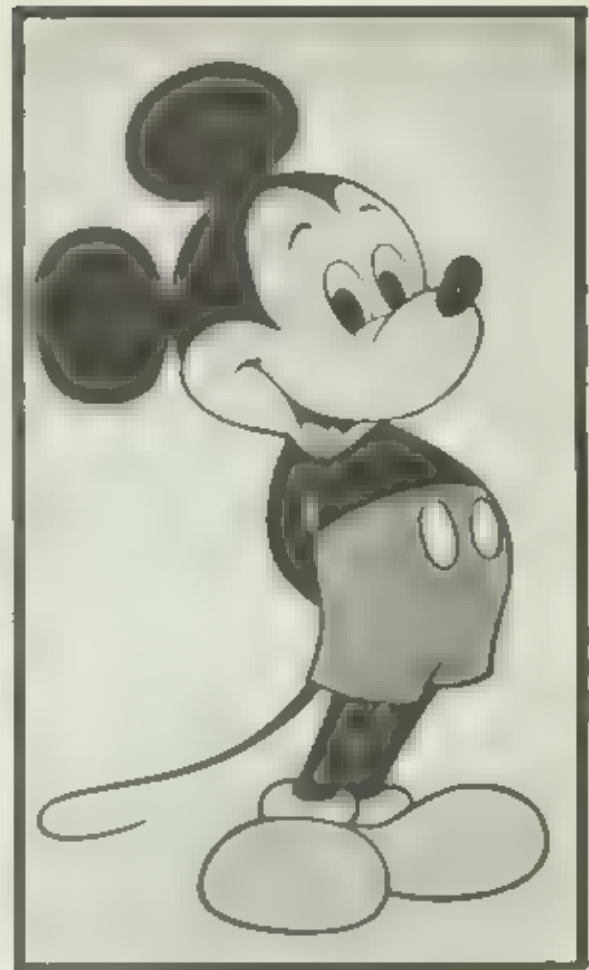

*The End of the  
Beginning*

John Wayne tamed the West almost singlehandedly with his gun and his whip. Daniel Boone killing a bear at the age three — these are the heroes of the year heroes who were known for their brute strength and whose heroism depended on the number of bodies they added to the church graveyard.

The heroes of today still tame the frontier, the frontier having changed from a wilderness of land to a wilderness of space; the qualities of the heroes of today are intellect, the method of the heroes of today are Martin Luther King, Henry Kissinger, Hank Aaron, John F. Kennedy — all these heroes of today fight for the right but their weapons are intellect, courage, edge, and love. What qualities will characterize the heroes of tomorrow? What weapons?

The bomb and brotherhood cannot coexist. It is up to us to decide whether this will be the beginning of the end or the end of the beginning.

## STUDENT LIFE

*Frustrations and Follies  
of Fall*

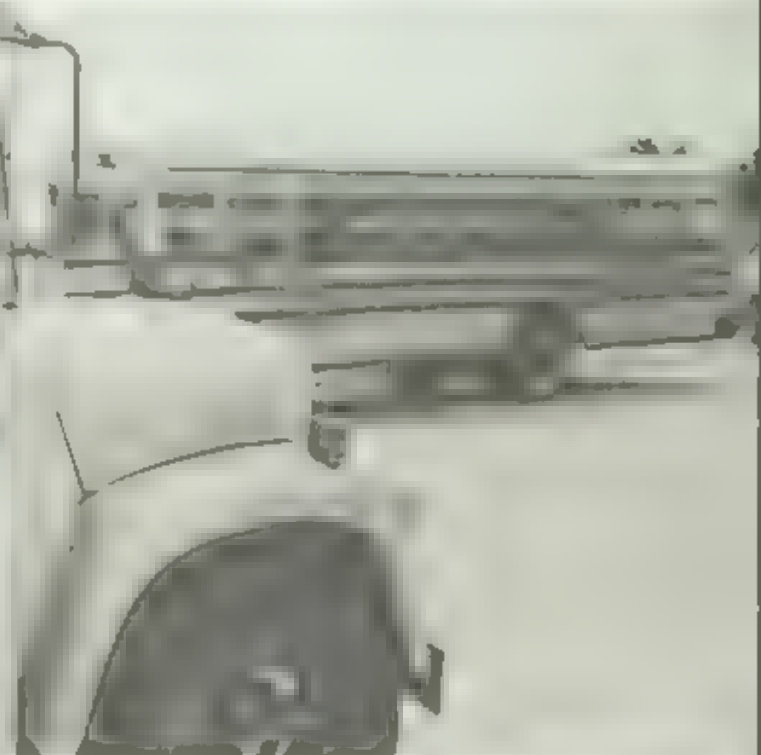

Re-adjusting to the sound of the alarm clock, a schedule that must be changed twice, homework, detention, the Monday morning blues, the routine of it all — These drudgeries of fall are varied by a menagerie of fun and thrills the Powder Puff football game in which the Class of '75 took its second victory, the car smash designed to let the mighty Patriots smash the Richmond Academy Musketeers for a quarter a blow, and the excitement of the annual Georgia State Fair

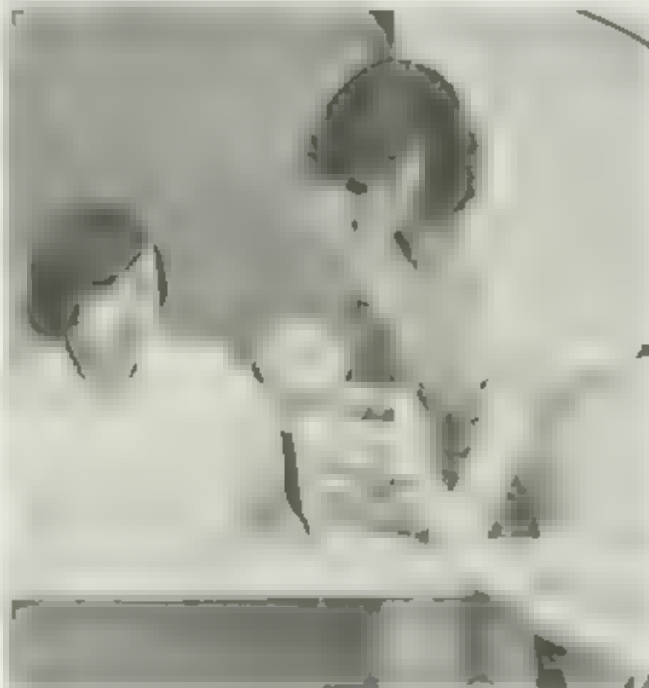

## Movin' On

Through rain or sleet, snow or hail, one problem remains for Southwest students at 8:00 am on Mondays through Fridays — transportation to school. The less inspired take the easy way and drive a car or motorcycle while the hardier souls either hoof it or peddle the ole ten-speed 13 1/2 miles to school. Other students set their alarm clocks for 7:30 so that they can catch a bus at 7:35 and work on homework all the way to school. Still the most independent of all students doesn't worry about transportation. He sets his alarm clock for 7:45, promptly awakes at that time, and states, "Heck no — I won't go!" then turns back over and falls asleep thus ending the next problem of a Southwest student, "How on earth am I gonna get home!"

## and Ahead

Several new activities and organizations were begun or revived during 1975.

For the first time in many years a bonfire was sponsored by Student Council. Though the turnout was light, those who came enjoyed the entertainment by the band and cheerleaders and the cracking of the autumn fire.

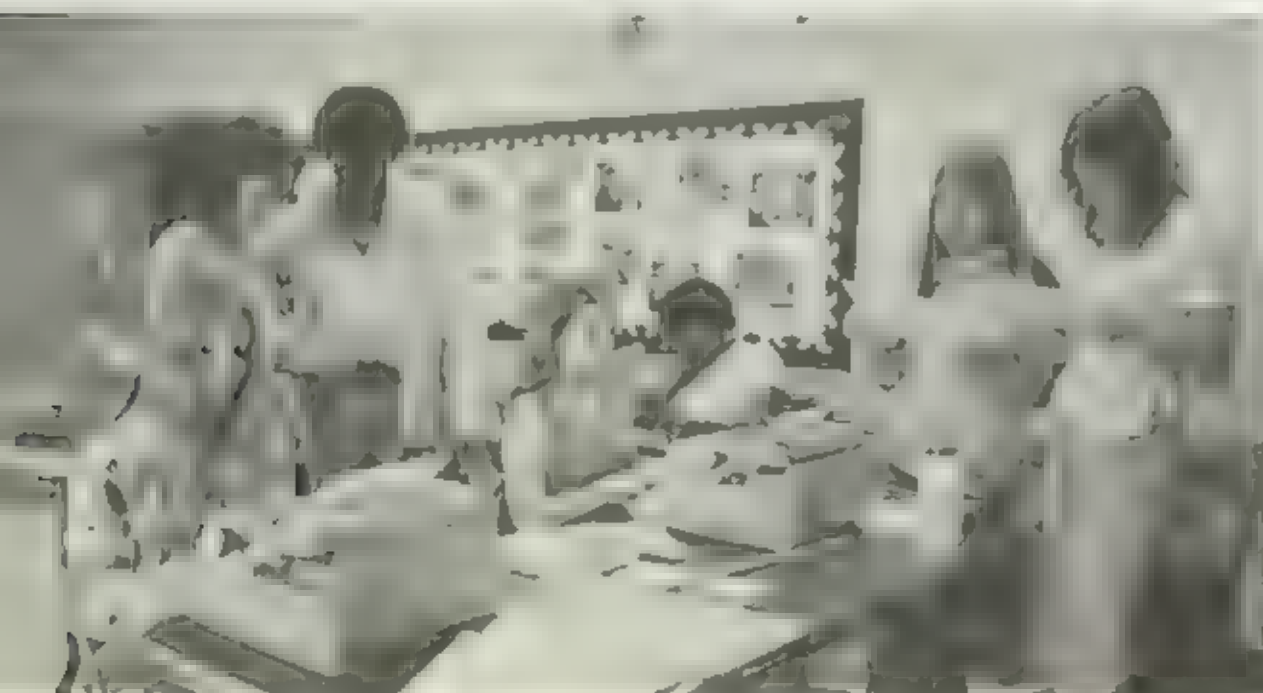

After not having a school paper for a year, the *SOUTHWEST PATRI ARTICLE* came as a welcome provider of news and events relating to our school and community. The newspaper staff, although new and inexperienced, did an excellent job of providing quarterly news during the year.

The wall at Willingham B received a spring spruce—up when Willingham B Art classes completely repainted it with a mural depicting important events in American History, an appropriate theme for the upcoming Bicentennial.

For the first time in the history of our school, co-ed lunch breaks were allowed throughout the year. Many students enjoyed the new freedom of seeing friends from other buildings and the chance to break the monotony of being indoors all day.

After years of meetings, planning, and money raising projects, 1975 finally saw the construction of steps on the hill of the soccer field. A fence was also erected and the field is being graded and planted with grass in hopes of eliminating the mud and other difficulties encountered by students traveling between buildings for classes.

All of these changes are helping to provide a new face for Southwest, however, none will affect its future more than the transition to the quarter system. Beginning in the Fall of '75, the Quarter System will provide a much larger variety of subjects and it should continue to keep Southwest on the move.

### Recipe for a Spirit Happening

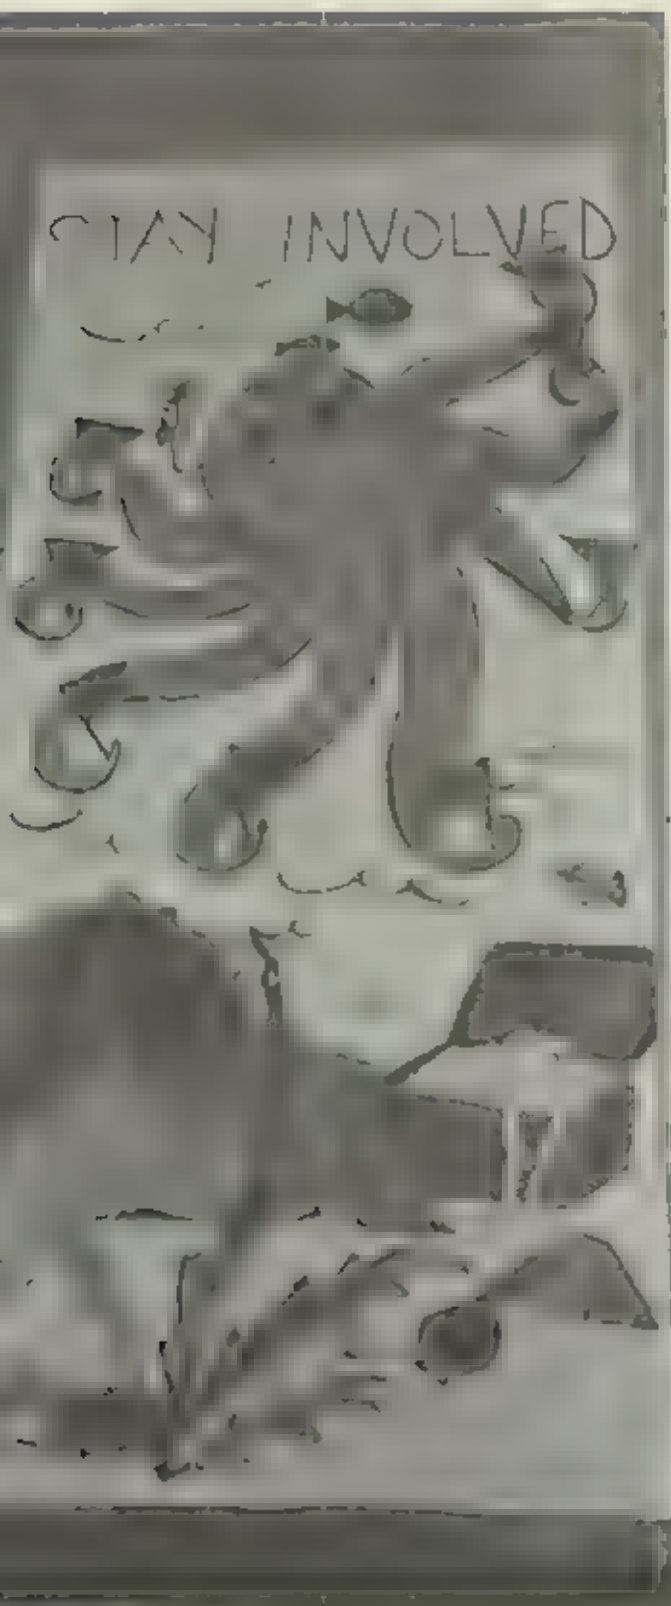

- 1 Emcee spiced with vitality and enthusiasm
- 3 Overstuffed characters for Detective Fat (easily peeled for the strip)
- 4 Tantalizing Beauty Contestants complete with bathing suits and wigs
- 1 Soap opera well soaked in suspense
- 6 T.V. shows of various flavors.

Mix together in one large gym. Sprinkle with songs, limericks, and commercials. Add a pinch of riskee and serve hot to the best Patriots at Southwest, those who bought an annual. For an extra touch, cover with spirit-filled Seniors. They bought more annuals than the Juniors or Sophomores and were awarded the Spirit Jug

Because enough annuals were not purchased by the students, the Annual Staff, determined to do anything within their power to save the SPIRIT OF '75, organized the Spirit Sprint. This project was a 15 mile Walk-A-Thon designed to raise money to aid in the completion of the yearbook. Annual Staff members, and 20 other chosen students began early Saturday morning, March 8, at Riverside Drive-In and ended the 15 mile trek at the editor's home where a cookout was held. Sore muscles, blistered feet, and almost 1,600 dollars resulted — for a cause that, at least for a portion of Southwest students, is an important part of high school life

## *What That Staff Won't Do to Sell an Annual!*

## *Involvement: the Weapon Against Apathy*

Each year during October, American Education Week is observed. This year its theme, Getting Involved, was exemplified by at least two groups in the school. In assemblies, a brief history of American Education Week was given, then the audience was treated to a variety of dances, both foreign and nostalgic.

The Spanish Department provided an insight into Spanish culture through dances such as the Ramba, the Mexican Hat Dance; and through popular songs sung in Spanish. The Annual Staff delighted the audience with glimpses of past eras in music, from the 40's to the 70's, from Shirley Temple to Chubby Checker to Mac Davis. The purpose of this skit was to prove that a yearbook can serve as a memory of YOUR generation in years to come.

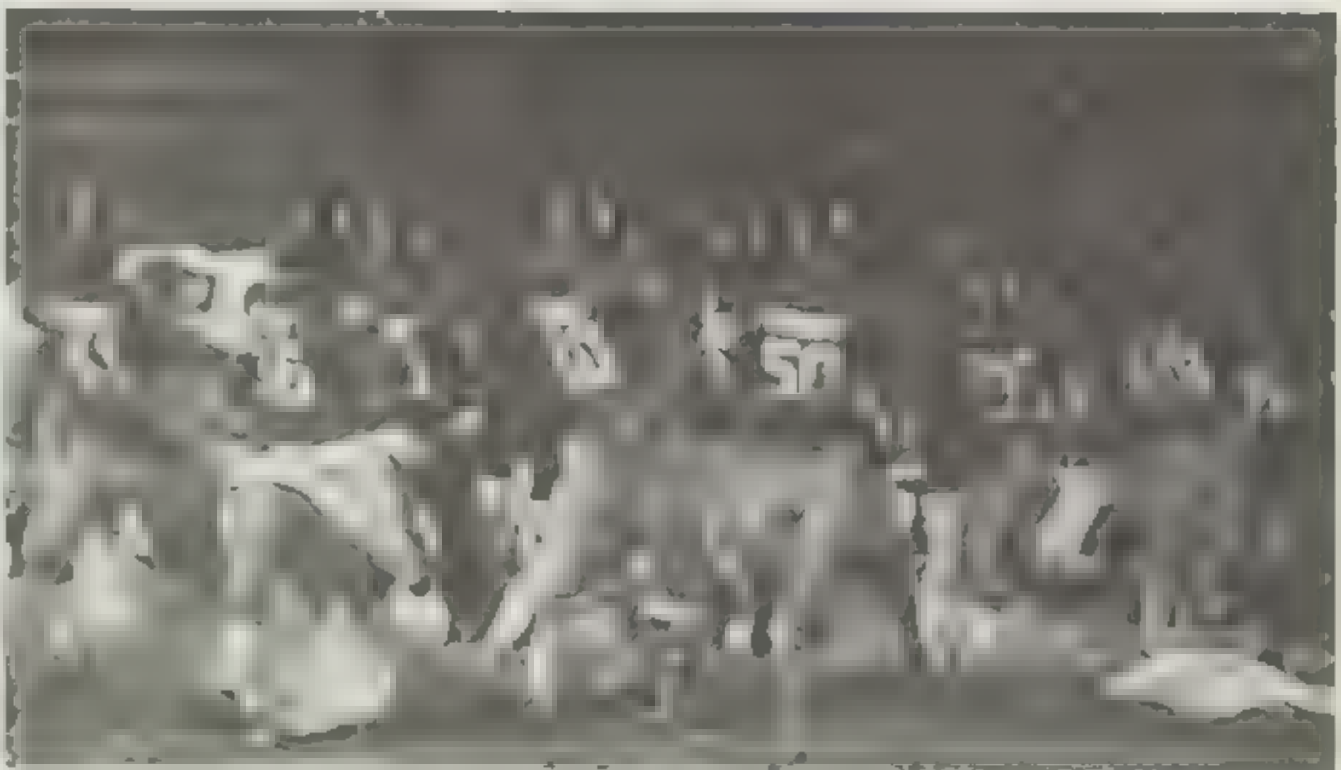

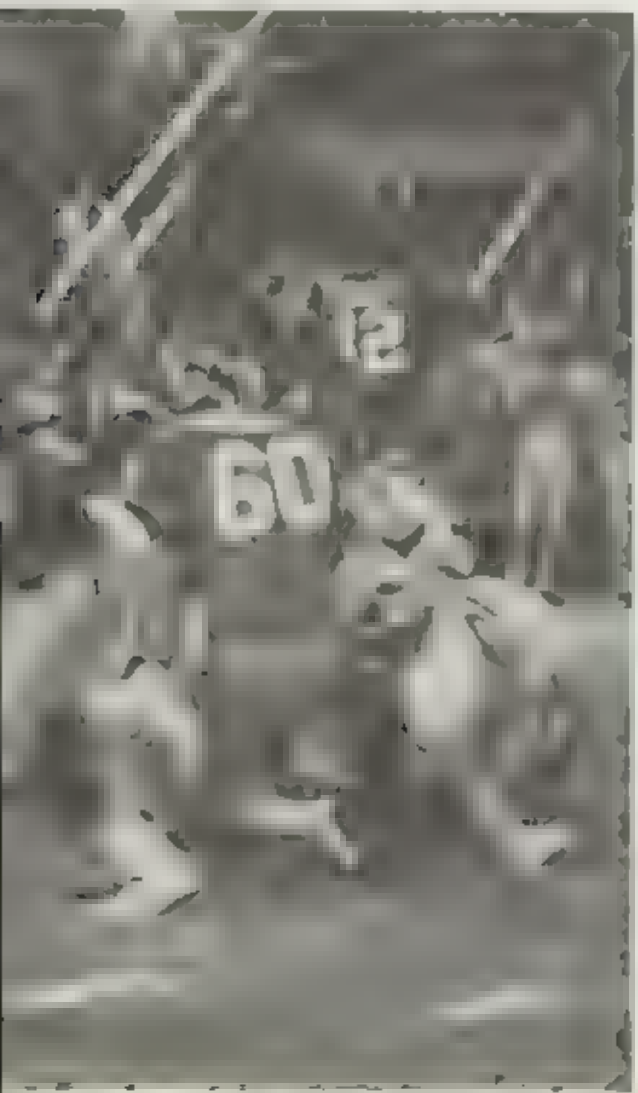

## *Homecoming A Mixture of Happy and Sad*

Annual Homecoming Festivities were brought to a close at the Southwest-Richmond encounter at Henderson Stadium. Halftime added a spark of beauty to the crisp autumn night as Debbie Zeagler was crowned Homecoming Queen while the band played an appropriate song by Chicago, "Just You And Me." As the game drew near its end, the crowd was eagerly cheering Chip Sanders on, hoping he would break the school rushing record in the final game of the season. Chip broke the record, but the Patriots lost to Richmond by a score of 49-26. With tears streaming down many faces, the fans left the stands far less excited than they had arrived. Everyone soon forgot the agony of losing, however, when they became involved in the fun at the Homecoming Dance: Tomorrow Is Ours. The Scorpions provided the music for the well-attended dance that closed out Homecoming Week for another year.

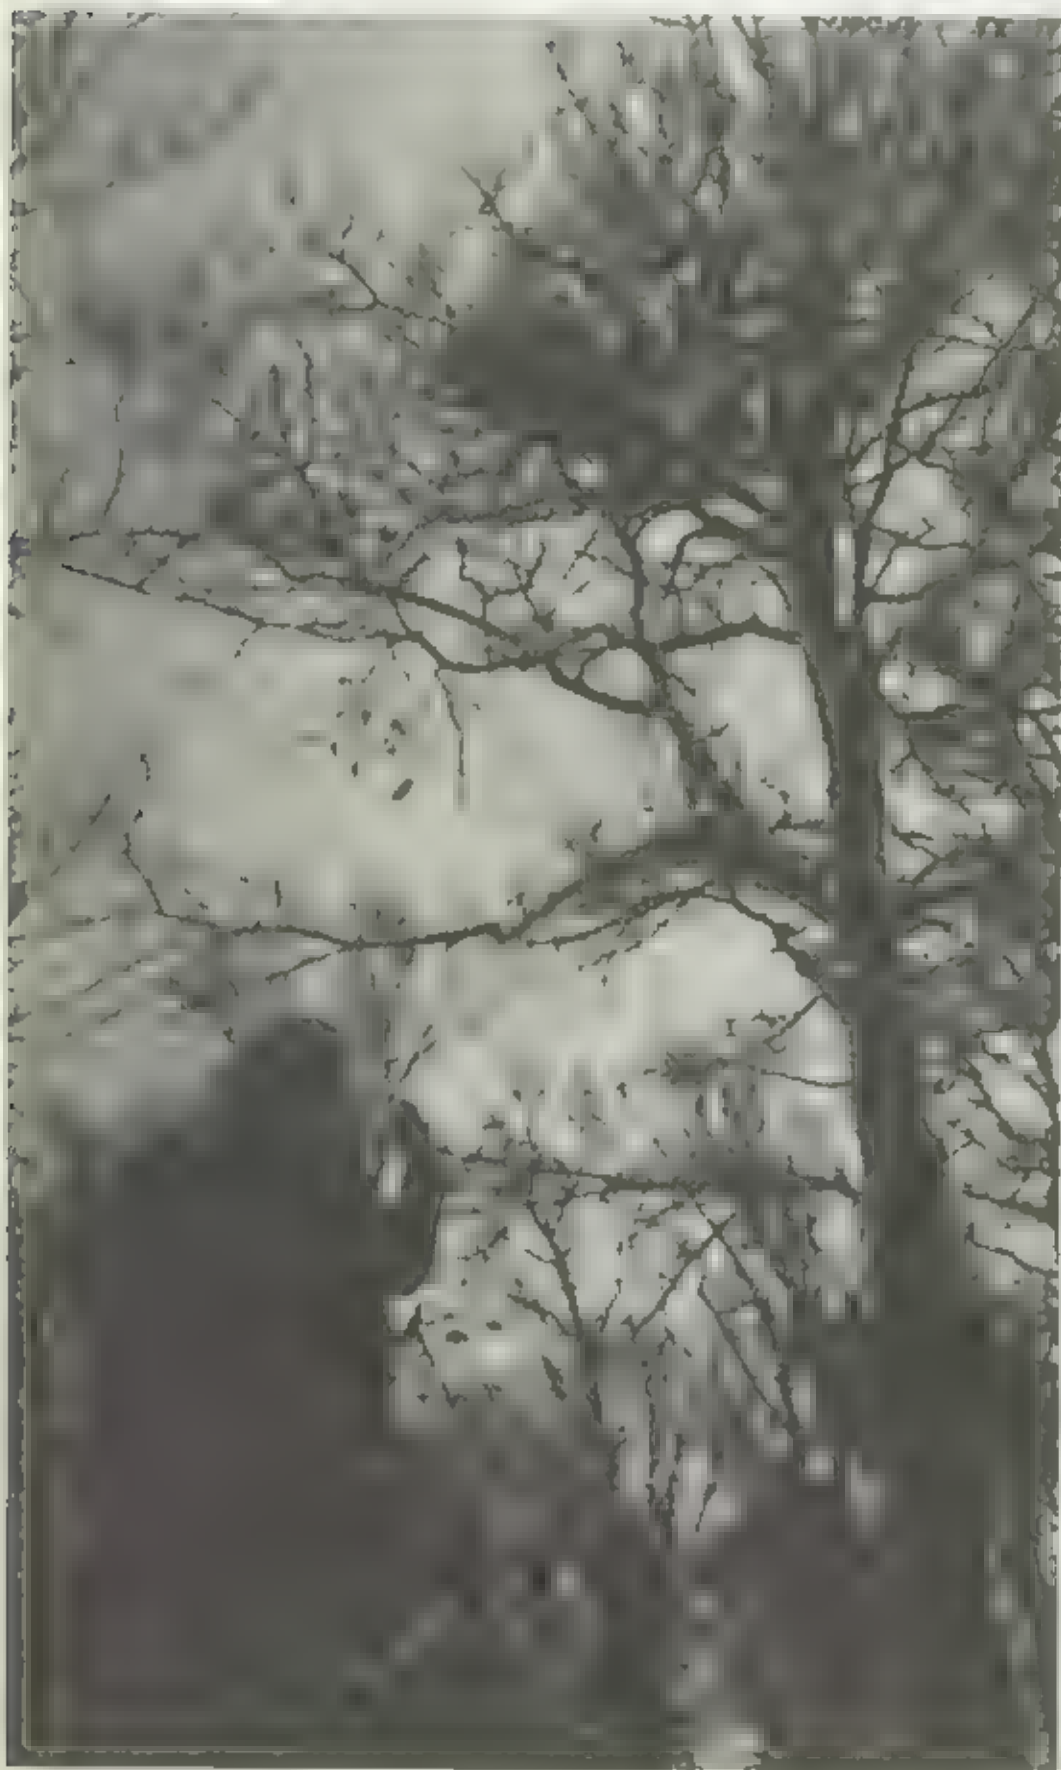

## *Winter — Flurries of Expectations*

Senior Rings  
Christmas Parties  
Family Gatherings  
Holidays  
The New Year

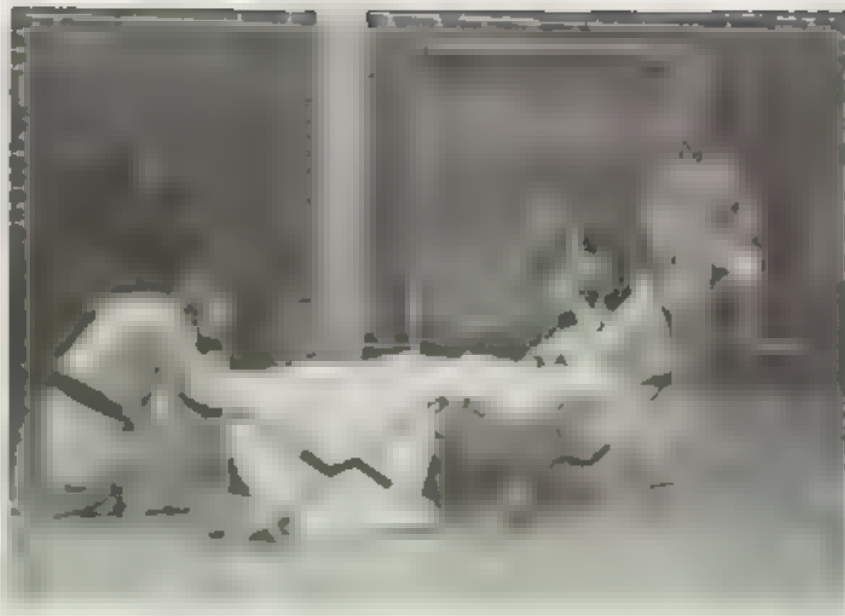

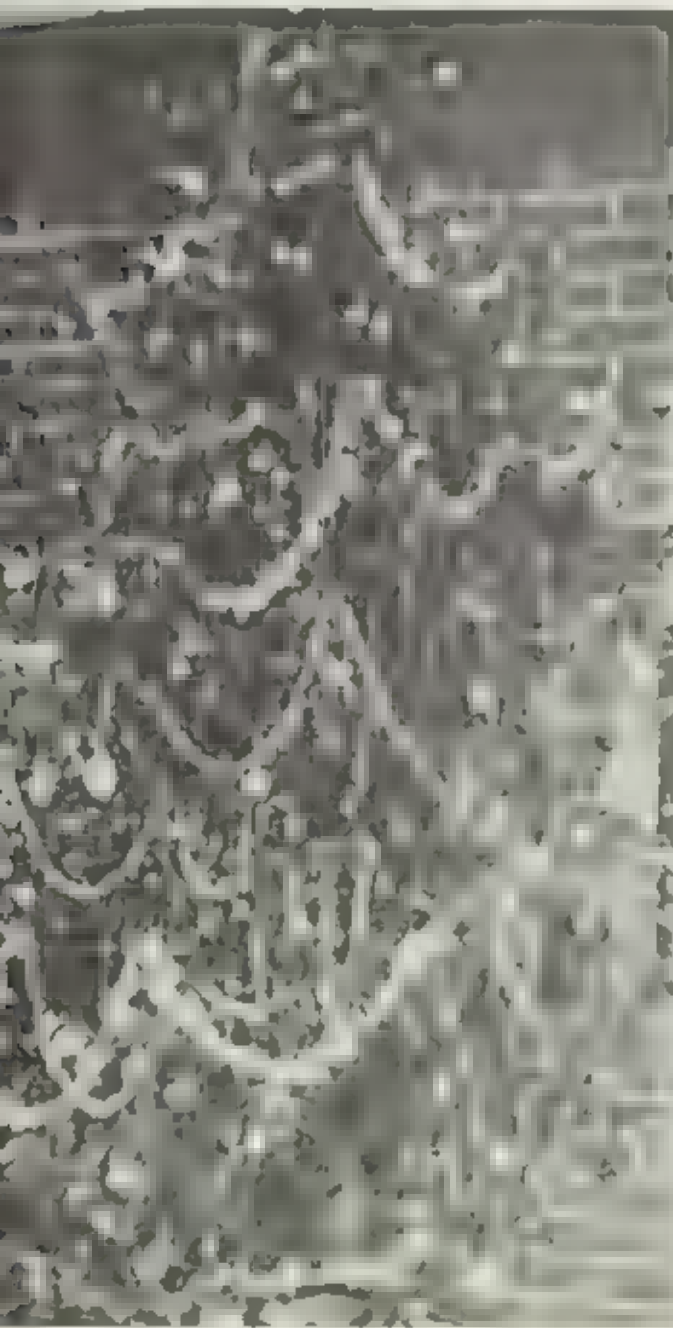

Practice does make perfect as the Seniors demonstrated by winning the Spirit Stick again this year. The uncanny timing with which the entire class cut its voice at the downward swing of the Spirit Stick actually won it for them. The class spirit exhibited by the volume of sound as well as the quantity and quality of their signs cinched the prize

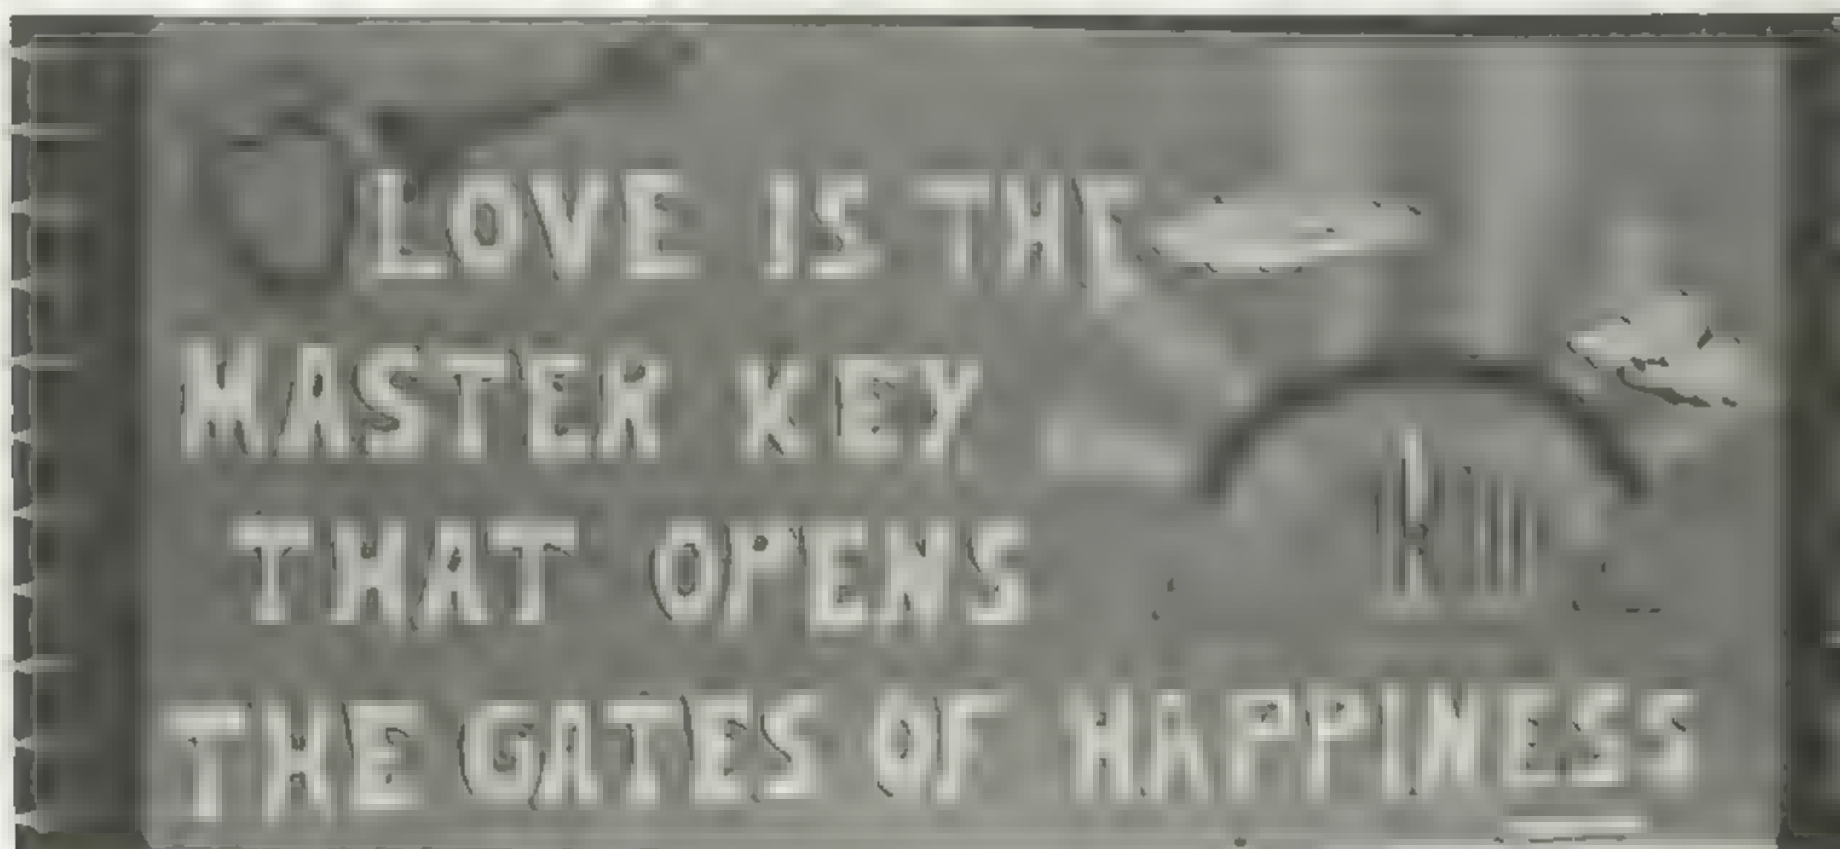

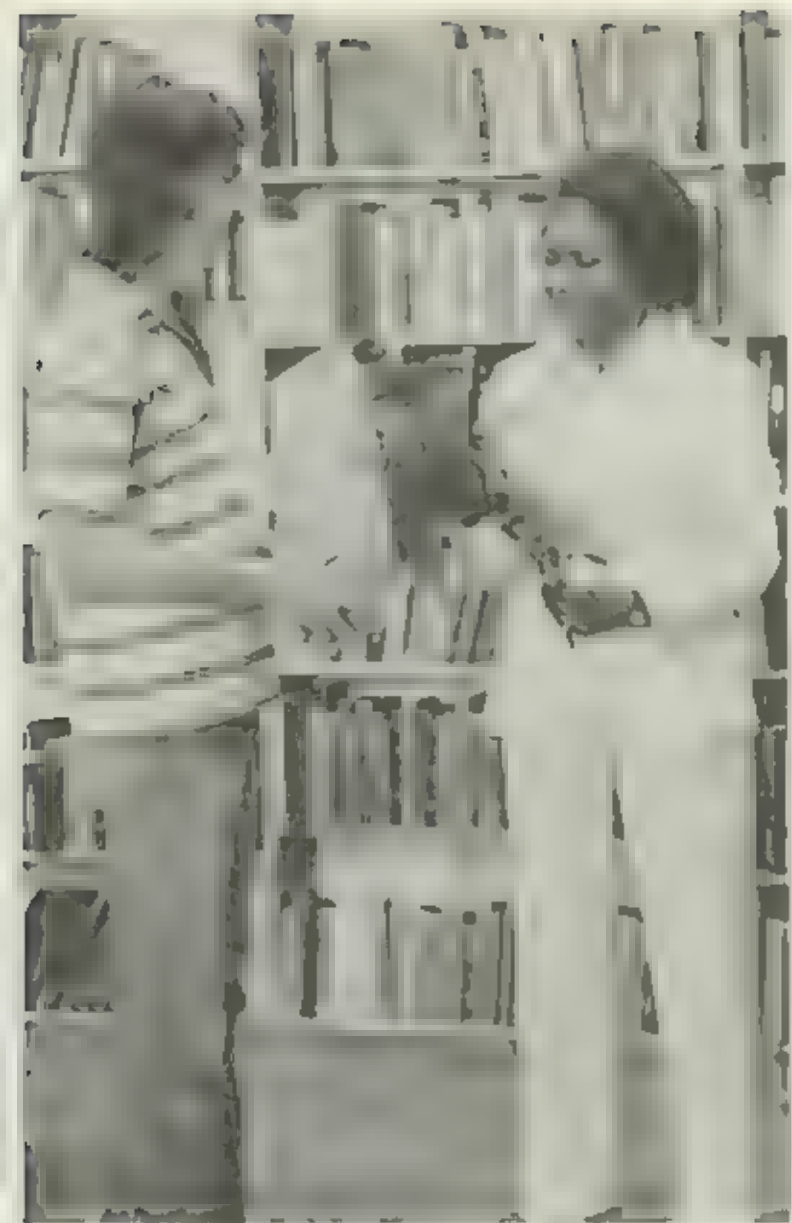

'Twas the week before Christmas and all through Southwest,  
 Students were scurrying about with spirit-filled zest  
 The trees were made ready, the doors were prepared;  
 All special activities showed Patnats cared.  
 The parade was complete with marchers and floats  
 Cards from building to building bore holiday notes  
 The students partied and oh what a sham!  
 That Christmas assembly and Santa Willingham.  
 All in all 'twas a season of good will and cheer.  
 Merry Christmas to all and to all a good year!

*United We Stand*

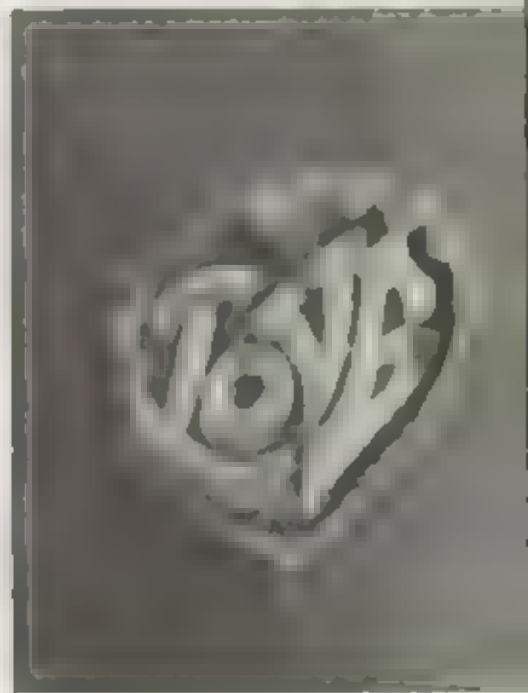

LOVE IS THE  
MASTER KEY  
THAT OPENS  
THE GATES OF HAPPINESS

Different heritages,  
Different values,  
Different environments —

these discrepancies could result in numerous problems; but through understanding, a concentrated effort, and a spirit of unification, we the students of Southwest have overcome the most difficult of all difficulties. We have learned to appreciate the knowledge one gains in having a new thought or experience introduced to him. Understanding, unification, and an appreciation of the world around us — in short, Love — that's what life is all about

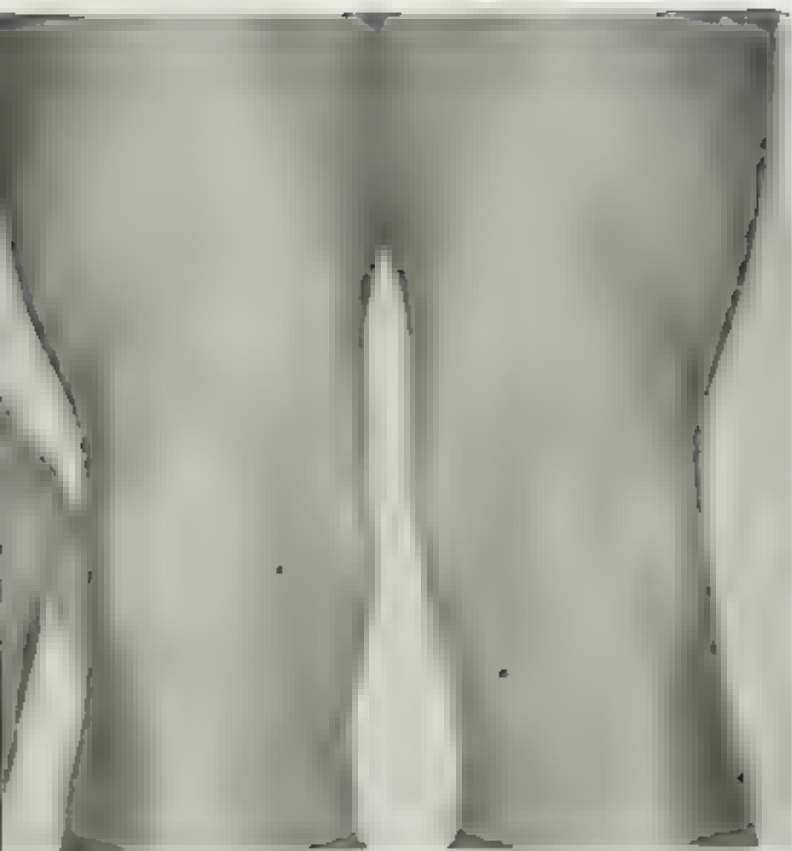

## *Pride, Pep, and Patriotism*

Both students and faculty enjoyed the various assemblies geared toward education, inspiration and entertainment. Whether exhibiting pride in Southwest's undefeated basketball team, witnessing the thought-provoking and informative assemblies of the High Flight Program and Max Cleland, or simply bursting into laughter as the Naval Corps "whistled" — all contributed to the school life of Southwest '75

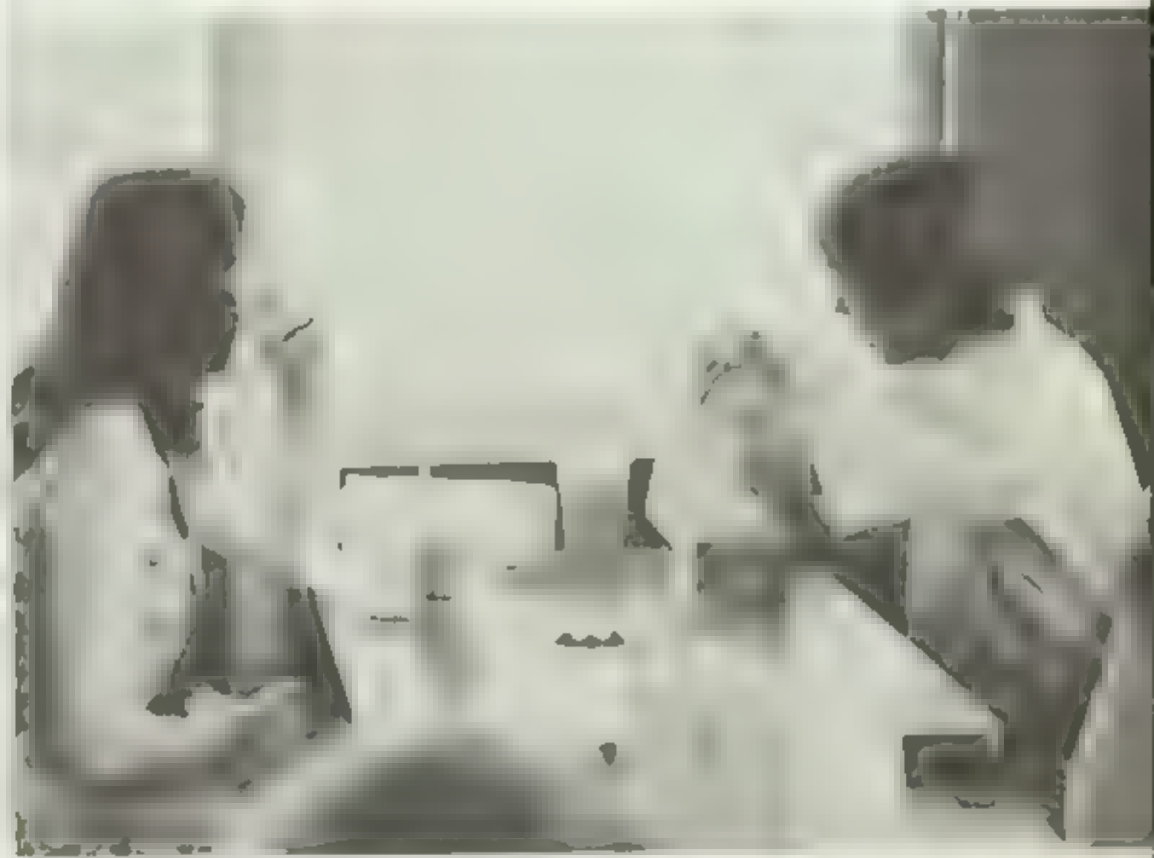

Spring Fling provided a frivolous diversion for the students who enjoyed a sack lunch picnic, a hilarious bike race in which the principals and faculty peddled toward stardust, and a tug of war in which representatives of each class demonstrated their prowess. This event, though entertaining to those involved, served a worthwhile purpose since the sizeable profit was donated to Gracewood Hospital in Atlanta.

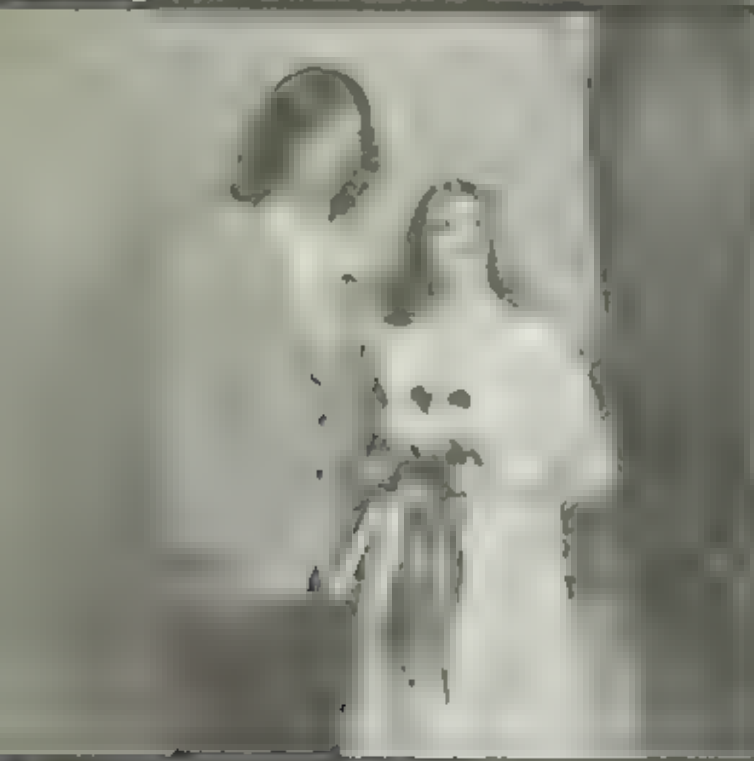

*Places to Go  
Things to Do  
People to See*

Activities from concerts to eating occupy the leisure time of Macon teenagers. Several well known entertainers performed at the Coliseum this year, among them Elvis Presley, who gave a sellout performance, Wet Willie, and John Denver, who both did outstanding jobs in presenting two completely different styles of music. Middle Georgians also enjoyed a refreshing treat of outdoor family fun at the annual Georgia Jubilee sponsored by the Jaycees. Among its attractions were art exhibits, Barber Shop Quartets, Ocmulgee River rides, and the ascension of a hot air balloon. In affiliation with the Billy Graham Association, evangelist Leighton Ford was in Macon for an eight day Reach-Out campaign, an event inspiring spiritual renewal and Christian fellowship. When it comes down to a spur-of-the-moment-let's-go-do-something situation there may not be a pre-planned event to attend, but there are lots of activities for kids to do such as an invigorating game of bowling, putt-putt, a cool swim at the neighborhood pool, or, if all else fails, that favorite all-American pastime . . . eating!

## Counselors

Whether students need assistance in choosing school courses, whether they desire advice in deciding which college to attend, or whether they need an objective view concerning a personal or school-related problem, the school counselors are readily available to advise. They listen and give their trained opinions on almost every facet of a student's life, easing the student's transition into adulthood.

## English

At present the English Department makes an effort to meet the needs of all students by offering three ability levels — advanced, intermediate, and fundamental. Next year, with the beginning of the quarter system, it will attempt to meet student desires as well by offering a variety of courses such as Afro-American literature, science fiction, and world literature, all geared to those interested in a particular area,

## Home Economics and Food Services

In these times of rising inflation and decreasing wages, the Home Economics and Food Services Departments strive to teach students to cut corners in their budgets and learn to plan inexpensive meals. Home Economics students also learn to make fashionable clothes which are attractive, yet not a strain on the budget.

## Social Studies

The Social Studies Department strives to enrich the students' minds by introducing new peoples, their lives and cultures, as well as by studying our past history as Americans. This study of Americans was exemplified during "Afro American History Week" when students researched in-depth one black person's life and his contributions to American society.

## Industrial Arts And Music

Industrial Arts gives students an opportunity to create imaginatively and then construct concretely their innermost ideas. From dog houses to dressers, this department helps to further the skill of America's future artisans.

This year the music department has received many honors, including a superior rating for the Southwest band at the Music Festival. Both the chorus and the band have performed for the student body, showing to a great extent the time and effort involved in producing an excellent music department.

## Art and Cosmetology

A Spring day in Washington Park culminated a year of varied artistic endeavors by the Southwest art department. Macrame, pottery, painting, weaving tie-die, and batik, all created by Southwest students, were on display. McEvoy art classes also furnished the backdrop for the Junior-Senior, while Willingham students portrayed a panorama of American history on the wall and landscaped the entrance to the office.

Cosmetology offered students a vocational choice. Hours earned during this course actually count toward those necessary to achieve a license. Some students supplement their hours, take the state board, and emerge from Southwest ready to make a living in the field of cosmetology. To demonstrate the skills, techniques and creative aspects of their chosen course of study, these classes staged an assembly program for the student body depicting hair styles from several eras.

# Foreign Language and CVAE

This year the Foreign Language department has as its main objective "to familiarize students with the importance of knowing a second language and using this knowledge to the students' benefit and pleasure." During the school year the Spanish students made use of their knowledge by producing a program in Spanish and performing it for the student body. French students also added flavor to the traditional French courses by learning patriotic and sacred songs.

## *Nobody Said It Was Gonna Be Easy*

CHARGERS 44 PATRIOTS 0

Patriot spirit was higher for this game than for any other game of the season. Cries of "Squeeze the Orange" echoed throughout the packed Southwest stands for the first 30 minutes of the game, but these shouts quickly changed to "Defense! Defense!" as the game progressed. The Patriots kept trying every defense they knew, but Central blocked all Southwest's attempts to score. Meanwhile the Chargers capitalized on all Patriots mistakes and ran for 6 touchdowns, winning the game easily.

# Mighty Patriots Done Smashed Your Face

SOUTHWEST 26 NORTHEAST 6

One of the most rewarding games of the season was the Southwest-Northeast encounter. Competition between the schools was scarce, since the Patriots led throughout the game. The Southwest team was at its peak, looking impressive on both offense and defense. During the first half, Southwest scored enough touchdowns to win the game. The second half of the game merely added to the victory sweetness, giving the Patriots a thrilling win over the Northeast Raiders.

IF AT FIRST YOU DON'T SUCCEED . . . In one of the most exciting games of the season the Patriots fell to their cross-town rivals, the Northeast Raiders. In a fast moving contest that changed leads several times, the Patriots came out on the bottom of a startling defeat by the ever-tough Northeast Raiders. The Patriots led by one point with four seconds left in the game. As the Raiders hit another jump-shot, adding two points, the buzzer sounded ending the game. The agony of defeat could be seen on everyone's face, but there was also the anticipation of what was to come . . . TRY, TRY AGAIN . . . In the Caliseum before a capacity crowd of 7,500 excited fans, the Patriots blew the Northeast Raiders off the court. The Patriots surprised the Raiders with a fullcourt press in the early going to capture a quick 14-0 lead. Throughout the game the Patriots, headed by Coach Richardson and Assistant Coach Johnson, combined great coaching with terrific ball playing to diminish the Northeast Raiders. As the game neared its end, cries of "we want a hundred" rose loud and clear from the Southwest fans. We didn't hit the century mark, but that didn't dampen the spirits of the jubilant Patriots for it was this win that captured the sub-region title with a 5-1 mark . . . WE DID IT!

When you combine determination, talent, spirited fans, great coaching, a little luck, and a lot of hard work — you come out with sweet success. And that's exactly what our Lady Patriots did in their first encounter with the Northeast Lady Raiders. A fast moving, close game saw the Lady Patriots claim victory by one point in the final seconds. The memory of the first win sent us into the second game with great expectations. Leading at the half, the Patriots expected a repeat of their first performance. The last two quarters, however, saw the tide turn and the Lady Patriots left the Coliseum in disappointment after a 51 to 40 loss.

## Girls' Track — Super Stars Hurdle the Odds

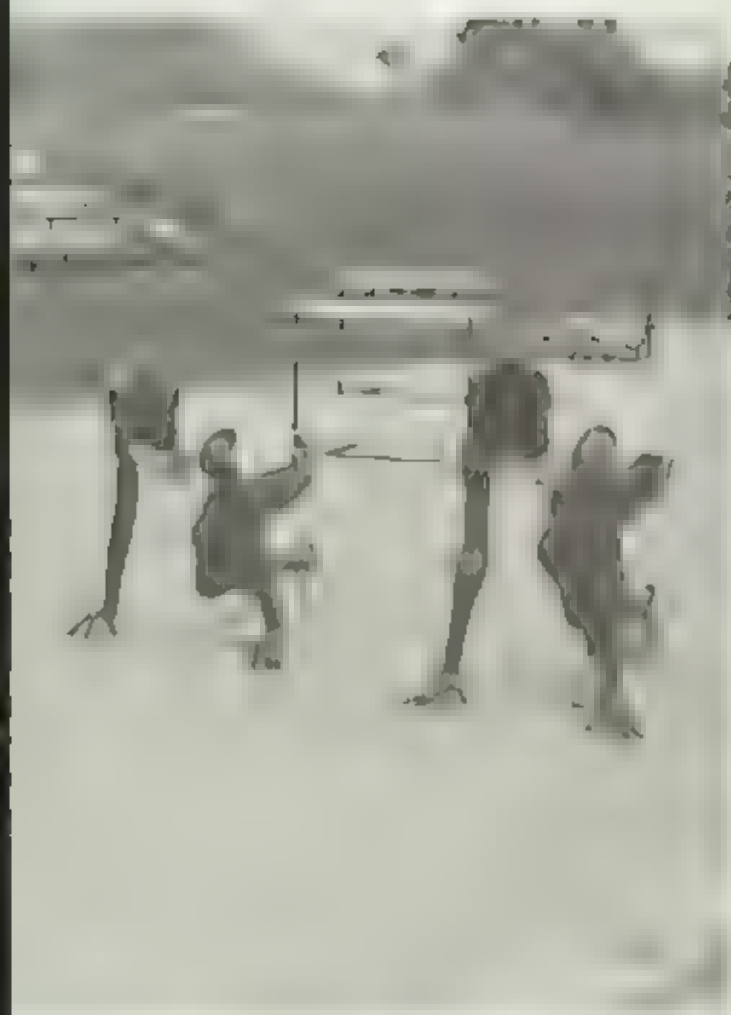

A new sport was added to the Southwest Athletic Department this spring and a few determined girls proved that they had what it takes to be champions. These track stars under the superb coaching of Ann Proctor and Bessie Walker combined determination, endurance and skill to bring back the 1975 State AAA Girls Track Trophy. This may be the start of something big.

## ORGANIZATIONS

## Patriots' Parliament

To prepare for the upcoming school year, twelve members of Patriots' Parliament attended a six day leadership workshop during the summer at Berry College in Rome, Ga. The week that teachers returned to school in August, student council also returned to put up bulletin boards, plan opening week activities and give a faculty tea. Early in the year student council and the annual staff co-sponsored the Powder Puff Football Game and Mr. Southwest dance. Pep Rallies, Homecoming Week, Goofy Goblin Week and Spring Fling Week were all planned, sponsored, conducted and cleaned up after by student council. This year, for the first time, student council entered a float in the local Christmas Parade. The theme of the float, "Make Your Dollars Work For You," was centered around the energy crisis. Throughout the year, student council coordinated the organization of clubs, the activity schedule and the student activities calendar. A student council workshop with Mr. Phil Gugliuzzsi was held for student council officers and representatives of Southwest student council, which served as sixth district coordinators. During the Christmas Season, a variety of activities were sponsored by Student Council. Gifts and cards were sent to patients in nursing homes, canned goods were collected for the custodians, and many articles such as food and clothing were sent to a needy family in Macon. On February 14th, valentines were exchanged between McEvoy and Willingham, and individuals bought and sent cards to friends and lovers in other buildings. These and other similar activities make student council one of the most active organizations on campus.

The organization which produced the Southwest PATRI-ARTICLE and worked extremely hard to make it a success was the newspaper staff. By first staging a Paint-a-Pator Tator Can subscription drive, the staff kindled interest once more in a school newspaper. Then the Name the Newspaper Contest involved students more thoroughly, allowing them to have a voice in the newspaper.

All through the year, members of the staff worked to meet deadlines, to represent all facets of student life and activities at Southwest, and to produce three quality newspapers.

Several new sections in the newspaper helped to make it a success. Student Focus, a close-up on Southwest's outstanding students; Pat's Rap, a column to voice student opinions; and Dear Patty Patriot, a personal "Dear Abby" column. These things combined with the spirit of the staff, the cooperation of Southwest students, and the determination of the advisor, Mrs. Ella Carter, helped to make this year's Southwest PATRI-ARTICLE a newspaper that students will remember.

## Civinettes

Pres. Judy Sandefur, V. Pres. Lynn Barnett, Sec. Cindy Graham, Treas. Sande Lovell

Civinettes sponsored many projects this year, again showing their school spirit. Their first money-making project was the fruit cake sale, followed by the collection of money for UNICEF and Muscular Dystrophy, as well as a Rocking Chair Rock-A-Thon for Muscular Dystrophy. The club was in charge of organizing school locks for distribution and of taking up books at the end of the year. Members painted the

soccer field trash cans, cleaned up the soccer field, painted rocks for teachers' gifts at Christmas, and collected canned goods at Thanksgiving and Christmas for the Welfare Department. They made a telephone survey of graduated seniors to determine the average vocation after leaving high school and attended district meetings in Warner Robins, Perry, and Macon.

## *Civitan Club*

The Civitan Club worked not only for their school but for the community as well. At school, Civitan members worked on improving the grounds by planting various shrubs and on improving the building itself by painting classrooms. They put up bulletin boards, purchased supplies for the English Department and Library, and processed text books for the school. The club also assisted with Open House, hosted a District Training Conference, hosted a hospitality room for the coaches, operated a concession stand for the wrestling tournament, provided drapes for the lunchroom, and raised funds to assist in payment of the Willingham B lunchroom air-conditioning.

In community work, Civitans assisted with the following projects: the Walk-A-Thon for the March of Dimes, food for the needy, a Bike-A-Thon for Muscular Dystrophy, the Heart Fund, and the Blood Bank. The mentally retarded and crippled children were other groups assisted by the Civitan Club.

## McEvoy B Beta

Pres. Kathy Conner, V. Pres. Teresa Harrell, Sec. Melba Lewis, Treas. Vick Thompson

The McEvoy B Beta Club made Christmas come alive this year for one needy family. In keeping with the yearly tradition, the club collected toys, clothes, and food to carry to the family and then delivered the gifts personally. During the year

members listened to Mrs. Karen Shackley a guest speaker on the quarter system and attended the state Beta Club Convention in Atlanta. Finally, they painted all bathroom doors in the McEvoy B Building.

*Office Monitors;  
Counselor and  
Library Assistants*

The office, guidance, and media center assistants render an invaluable service to Southwest by devoting their time to carrying out small, tedious tasks so that school personnel may attend to more important duties. The students volunteer the time during which they would normally have a study hall and work constantly at their tasks, thus giving the school a more efficient manner of carrying out its business.

# *FHA and Food Service*

Pres. Cassandra Hunter, V Pres. Janice Sparley, Sec. Jane Boston, Treas. Linda Prince

The Food Service members delighted staff and students of McEvoy B all year long with superb concoctions. The group supplied teachers with plates of food periodically, but the biggest and undoubtedly best meal of all was the one cooked for the VOT Employers-Employees Banquet. All types of food imaginable were present and enjoyed by all

## SCA

Throughout the academic year, the members of the South west Christian Association listened to a variety of speakers, from local pastors to students from the school. Special music was also performed by people such as Hubert Wheeler, Minister of Music at Mable White Baptist Church and by groups like Day By Day, a quartet formed of four McEvoy 8 students

CVAE-VOCA were extremely busy clubs all year, beginning their projects by painting trash cans, obtaining job interviews, holding a banquet, and entering a public-speaking contest. Later they sponsored arts and crafts projects, a CVAE yearbook, a talent contest, an "Outstanding Boy and Girl" contest, a spelling contest, and school and community projects.

Pres. Barbara Yeomans, V. Pres. Robin Britt, Sec. Robin Howell, Treas. Carolyn Robinson

## LFVV

The League of Future Women Voters learned more about the coming quarter system and the purposes of dedicated women in society by listening to speakers throughout the year. Mrs. Karen Shackley spoke on the changes the quarter system will bring to Southwest. The Vice-President of the League of Women Voters, Mrs. Tremble, addressed the members on the purposes of her organization and the tasks undertaken by it.

## DECA

DECA spent much of the first part of the school year preparing a float which was entered in the annual Macon Christmas Parade. Later in the year, club members participated in district and state DECA contests.

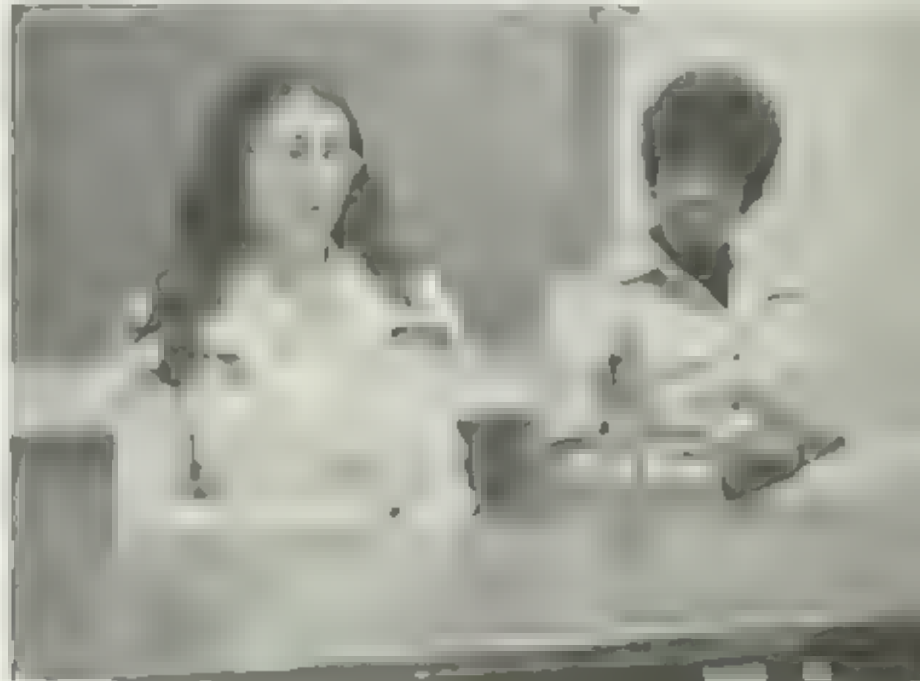

Pres. Debbie Allen, V. Pres. Debra Parkman, Sec. Deborah Hill, Treas. Cathy Bennett, Chap. Susan Payne, Rep. Annie Smith, Parl. Priscilla Widner

## GAA

Athletics at Southwest was covered by the Girls' Athletic Association. The members sponsored an Invitational Volleyball Tournament in which teams from Macon and Warner Robins participated, took field trips to college sports events, and conducted Southwest girls' intramural activities. The members also painted the doors in the McEvoy B gym red, white, and blue.

## Library Club

The Library Club was fortunate this year to have a special week set aside as "Media Center Week," with proclamations issued by the governor and the Board of Education. During this time, several projects were undertaken including a "Hobby Day" at Willingham A at which people brought displays of their hobbies and offered ideas on how to begin their particular hobby.

Pres. Ernie Sawley, V. Pres. Cynthia Hicks, Sec. Gloria Lewis

## Literary Club

Literary Club sells **SOUTHWEST SEREN-DIPITY**, a literary magazine compiled of poems, essays, and short stories submitted from students in all four buildings. The club printed two issues during the school year, the first in February and the second toward the end of school. All of the issues printed were sold, compensating for the necessary weekly meetings the club held to meet deadlines.

## Science Club

The Science Club's major project during the school year was the planning and hosting of Southwest's annual Science Fair on February 20, 1975 in which over 100 members participated. Science Club members set up all tables for the projects and provided refreshments for those who attended the fair.

The club selected "Ecology" as its theme this year and, to carry out the theme, visited the Okefenokee Swamp, the Fernbank Science Center, and the Museum of Arts and Sciences.

Pres. Edna Hall, V. Pres. Bob Willingham, Sec. Teresa Harrell, Treas. Cecilia Snyder

## Social Studies Club

The Social Studies Club concentrated most of its efforts on a helpful school project, that of buying dictionaries to be placed in all social studies classrooms. After completing that project successfully, the club members then raised money for the Media Center Carpet Fund.

Pres. Ben Hubbard, V. Pres. Jim Spivey, Sec. Carol Brantley, Treas. Frank Brady

## Chess Club

Members of the Chess Club decided to buy new chess boards so they collected dues from each of the members and with the money purchased several new chess sets. The new sets provided added stimulation to the thought-absorbing game.

## Charm Club

After studying and learning about good grooming and fashion at the Charm Club meetings, the members attended a fashion show at Rich's in Atlanta. There they saw all the aspects of good grooming and fashion in great detail.

# Southwest Marching Patriots

## Southwest Stage Band

Drum Major — Greg Hollis

The Southwest Band, one of the busiest organizations on campus, started their year during the summer as the majorettes, flag twirlers, and band members attended special camps. When football season arrived, the Marching Patriots devoted much time to preparing music for the half-time shows at the nine games which the band attended. During this time the band also played at football pep rallies and at the Georgia Tech Band Day.

Football season was followed by a hectic Christmas schedule as the band marched in the Macon and Warner Robins parades and performed at Westgate shopping center and at school. The next two months were spent in preparation for the annual band and chorus festival, which Southwest hosted. The time and effort spent in preparing for this festival paid off as the band received a Number One rating of Superior.

With spring came additional performances in parades at the Middle Georgia Raceway and Middle Georgia College, terminating with the Saint Patrick's Day Parade in Savannah.

# The Future

What does it hold for us? It can be whatever we want it to be if we only take the time to mold ourselves into the people that will make our world a better place. It can't be put off. It has to begin now so that our tomorrows will be filled with love, peace, and happiness
